## **WVU Competitive Cheerleading Club Medical Release Form 2024 – 2025**

Competitive Cheerleading is an athletic sport that involves talent, technique, training and development of skills, strength and body conditioning, gymnastics and tumbling, balance and movements of dance, partner stunts and pyramids, and great stamina and endurance to meet the grueling demands of competition. Because of these conditions inherent to the sport, participating in WVU Competitive Cheerleading Club exposes an athlete to many risks of injury. Those injuries include, but are not limited to, death; paralysis due to serious neck and back injuries; brain damage; damage to internal organs; serious injuries to the bones, ligaments, joints, and tendons; and general deterioration of health. Such injuries can result not only in temporary loss of function, but also in serious impairment of future physical, psychological, and social abilities, including the ability to earn a living.

In an effort to make WVU Competitive Cheerleading Club as safe as it can be, the coaching staff will instruct correct mechanics of all skills. It is vital that student athletes follow the Coach's skill instructions, training rules, and club policies to decrease the possibility of serious injury. Club rules and policies are listed in the Constitution of WVU Competitive Cheerleading Club.

I have read the information above concerning the risks of WVU Competitive Cheerleading Club. I understand and assume all risks associated with trying out, practicing, and competing. I further agree to hold West Virginia University and its employees/advisors, representatives, coaches, volunteers, sponsors, and agents HARMLESS in any and all liability actions, claims, or additional legal action in connection with participation in any activities related to participation on the West Virginia University Competitive Cheerleading Club.

In signing this form, I assume the inherent risks of Competitive Cheerleading and waive future legal actions by my heirs, estate, executor, administrator, assignees, family members, and myself.
